What crystals are pumped into the SlimCrystal diet water bottle?

A bottle of SlimCrystal consists of nine natural crystals with clinically proven health-supporting effects. A powerful blend of the right minerals contributes to a variety of weight loss benefits.

Amethyst: It is a unique purple gemstone that has protective, healing, and purifying properties and is used as a sedative. It gives you calming energy, transforms negative emotions and promotes sobriety.

Clear Quartz - This white crystal is a master healer, amplifying energy through better absorption and conditioning. It balances the entire system and helps improve focus and memory. It also encourages appropriate food choices.

Moonstone: The sacred stone opens the heart and the body's sacred chakras to stimulate psychic abilities. Promotes hormonal balance and gives you positive energy.

Citrine: This stone is associated with positivity and optimism. It absorbs negativity and gives you joy and enthusiasm.

Carnelian: Gives you positivity and supports your chakras to overcome depression and negativity.

Sodalite: Provides emotional balance and calms panic attacks. Increase metabolism and support healthy food choices. Calms cravings and relieves stress and tension.

Onyx: Block negative energy and make you confident. Supports weight loss by affecting the solar plexus chakra.

Red Jasper: It has healing properties and creates balance in your system. It gives you confidence and prevents negative energy, anxiety, stress, etc.

Green aventurine is associated with the heart chakra and acts as a heart healer. It inspires love, compassion, gratitude and inner peace.
